ABOUT ME

Statistician | Data scientist with robust experience in research and statistical consulting in various international research institutes and private companies. R / SAS / STATA programmer with strong passion in statistical consulting to support researchers in their statistical analyses. Extremely curious to actively know new skills through challenging learning.

WORK EXPERIENCE

[06/04/2021 – Current] ### Biomedical data scientist / Biostatistician (home-based)

EURAC research   https://www.eurac.edu/en

City: Bolzano/Bozen
Country: Italy
Main activities and responsibilities:
Biomedical data scientist and statistical consultant in the field of biomedical research especially about COVID-19 disease.
Temporary contract till April 2022.

[15/11/2016 – 28/02/2021] **PhD candidate in biostatistics - Expected PhD defense June-July 2022**

The Netherlands Cancer Institute (NKI) and Leiden University Medical Center (LUMC)   https://www.nki.nl/divisions/molecular-pathology/schmidt-m-group/

Address: Amsterdam and Leiden, Netherlands
City: Amsterdam
Country: Netherlands
Name of unit or department: Molecular Pathology (in NKI), Biomedical data sciences (in LUMC)
Business or sector: Professional, scientific and technical activities
Main activities and responsibilities:
Main goal: build, validate and assess the prediction performance and the clinical utility of a contralateral breast cancer risk prediction model using time-to-event models with competing risks using individual patient data (more than 100,000 patients) from multiple studies in presence of sporadic and systematic missing data.

Main activities:
- Data management and R/SAS/STATA programming also using High Performance Computing (HPC);
- Experience in Real World Data coming from different international sources;
- Reading scientific literature especially medical statistics and applied medical research papers;
- Statistical consulting for researchers and statistical teaching;
- Writing peer review scientific manuscripts;
- Provide statistical reports using Rmarkdown and GitHub.

Supervisors: prof. Marjanka K Schmidt and prof. Ewout W Steyerberg
Title of the dissertation: "Prediction of contralateral breast cancer - Statistical aspects and performance assessment"

[01/07/2016 – 30/09/2016] **Statistician**

OPIS srl   https://opisresearch.com/

Address: 20832 , Desio (Monza and Brianza), Italy
City: Desio
Country: Italy
Business or sector: Professional, scientific and technical activities
Main activities and responsibilities:
Overall description: biostatistician working in clinical trials (phase II-III).

Main activities:
- SAS programming;
- Revising Case Report Forms (CRFs);
- Proving listings, figures, and tables.

[09/2014 – 06/2016] **Statistician**

Italian National Cancer Institute   https://www.istitutotumori.mi.it/en/home

Address: 20133, Milan, Italy

City: Milan

Country: Italy

Name of unit or department: Clinicial Epidemiology and Clinical Trials organization

Business or sector: Professional, scientific and technical activities

Main activities and responsibilities:
- Statistical consulting in medical research;
- R/SAS programming;
- Supporting research in statistical medical writing;

[04/2013 – 09/2014] **Statistician**

The Lombardy and Emilia Romagna Experimental Zootechnic Institute   https://www.izsler.it/

Address: 25124 , Brescia, Italy

City: Brescia

Country: Italy

Business or sector: Professional, scientific and technical activities

Main activities and responsibilities:
- Statistical consulting and support for veterinary research;
- Epidemiological surveillance;
- Spatial statistics;

EDUCATION AND TRAINING

[10/2010 – 11/2012] **MSc in Biostatistics and Experimental Statistics (summa cum laude)**

University of Milan - Bicocca   https://en.unimib.it/

Address: Milan, Italy

[10/2007 – 09/2010] **BSc in Statistical Science and information management (summa cum laude)**

University of Milan - Bicocca   https://en.unimib.it/

Address: Milan, Italy

LANGUAGE SKILLS

Mother tongue(s): Italian

Other language(s):

English

LISTENING C1 **READING** C1 **WRITING** C1

SPOKEN PRODUCTION C1 **SPOKEN INTERACTION** C1

Dutch

LISTENING A2 **READING** A2 **WRITING** A2

SPOKEN PRODUCTION A2 **SPOKEN INTERACTION** A2

DIGITAL SKILLS

R | SAS | STATA | SPSS software | SQL | R Markdown | GitHUB | Basic of Python
